

## Features & Benefits

The Commercial Slimline Single Face Body has a hingeable frame that allows access to service the sign. The frame has provisions for Tension Clips, Corner Angles, Frame Braces and Corner Keys. It is available in a Mill finish and Dark Bronze. The face material does not need to be hemmed and will not require grommets or double faced tape.

## Answers to FAQ's

- Accepts up to 22 oz banner material.
- Tension Clip placement - Tension clips are to be placed approximately 1-1/2" from the edge of the trimmed to size face material.
- Tension Clip spacing - Every 6" on center.
- Face material trim size - Add 1-1/2" to all four sides from the outside dimension of the assembled frame. (Add a total of 3" of face material to both the height and width of the assembled frame.)
- Visible opening - Deduct 4-1/2" from the cabinet height and width.
- Designed for applications using LED lighting components.
- Frame Brace and Frame Support placement - Place every 36" on center horizontally and vertically.
- The Tension Tool that is required for this frame is Part #5135.
