

Features & Benefits

The Flat Commercial Body delivers a flat, smooth surface. The Body has a simple structural hinge eliminating the need for a piano hinge. The Corner Key slot provides ease of assembly and added structure. The Flat Retainer was designed for use with Aluminum or plastic faces. It is available in Mill Finish.

Answers to FAQ's

- Retainer accepts up to 3/16" thick face material.
- Face material trim size - Deduct 3/8" from the cabinet height and width.
- Visible opening - Deduct 4" from the cabinet height and width.
