

Available with or without posts

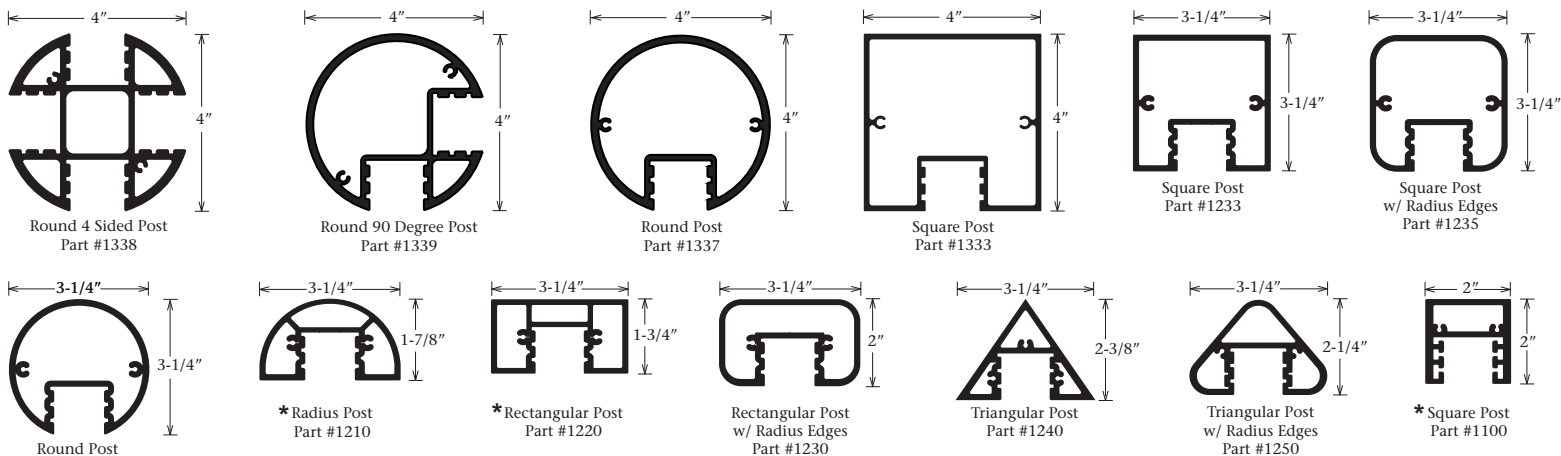

## Features & Benefits

The Series 2 Slide Body gives the post and panel a framed appearance. The top and bottom body sections are pre-drilled and countersunk to allow for the panels to be changed easily. The body can integrate with any of the 13 post options below. Available in Mill Finish or Dark Bronze.

## Answers to FAQ's

- Recommended panel thickness .100
- Face material trim size - Deduct 3/8" from the height and width

## 13 Post Options
