

Features & Benefits

The Wall Mount Frame has a built-in gusset that eliminates Frame Support Tube in most applications. The inner flange allows for easy attachment of a backer, which can be used for LED applications. The Frame can be kerf cut to create custom shapes. The Tension Clips are easy to use and are re-useable. Eliminates hemming, grommets and double faced tape. It is available in Mill Finish.

Answers to FAQ's

- Accepts up to 22oz banner material
- Tension Clip placement - Tension Clips are placed approximately 1-1/2" from the edge of the trimmed to size face material
- Tension Clip spacing - Every 5" on center
- Face material trim size - Add 3-1/4" of fabric to all four sides. (Adding a total of 6-1/2" to both the height and width)
- The correct Tension Tool to use with the frame is Part #5135
- The 2121 Cover only available in 12'3" lengths

Optional Item

- Tension Tool, Part #5135
