

NEW PRODUCT UPDATE:

Flat Double Face Body

June 2013

	Part Number	Part	Length	Finish
	2008	Flat Double Face Body	24'-6"	Mill

Features & Benefits

- Delivers a flat, smooth cabinet surface.
- Simple structural hinge for any size flex face, eliminating the need for a piano hinge.
- Frame Brace and Frame Support Tube assemblies available to reinforce tension and compression loads.
- Retainers for rigid faces available. (Part# 2204)
