

NEW PRODUCT UPDATE: Series 4 Square Post

Part Number	Part	Length	Finish
1333	Series 4 Square Post	24'-0"	Mill Finish
5433	Series 4 Square Cap w/ 3/4" Reveal		Mill Finish

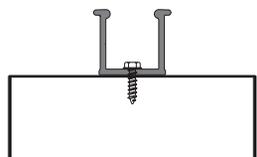

Features & Benefits

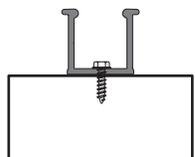

- The slot provision accepts the Series 2/3/4 Reveal and the Series 2/3/4 Panel Adaptors
- The Series 2/3/4 Reveal attaches to any body that will allow the panel to slide into the post
- The Series 2/3/4 Panel Adaptors accept 1/8", 1/4" & 1/2" panel material
- The Series 2/3/4 Reveal fills the post below the panel to accommodate any panel height, fills the slot provisions that are not utilized and acts as a spacer between panels
- The slot provision also functions as a concealed wire way
- The Post Cap reveal is 3/4" to allow for a 0", 3/8" or 3/4" reveal setting (Cap to be notched by fabricator for 0" or 3/8" setting)

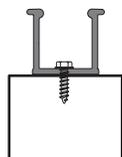

Multiple Configuration Options:
