

Features & Benefits

The Series 3 Single Face Access Body has removable covers on all sides allowing for the panel to be removed. If the body is used with any of the post options below, the panel will need to be removed from the top or the body will need to be removed from the post and then the panels can be removed. The body is designed to accept dividers allowing for multiple panels. The frame can integrate with any of the 13 post options below. It is available in Mill Finish.

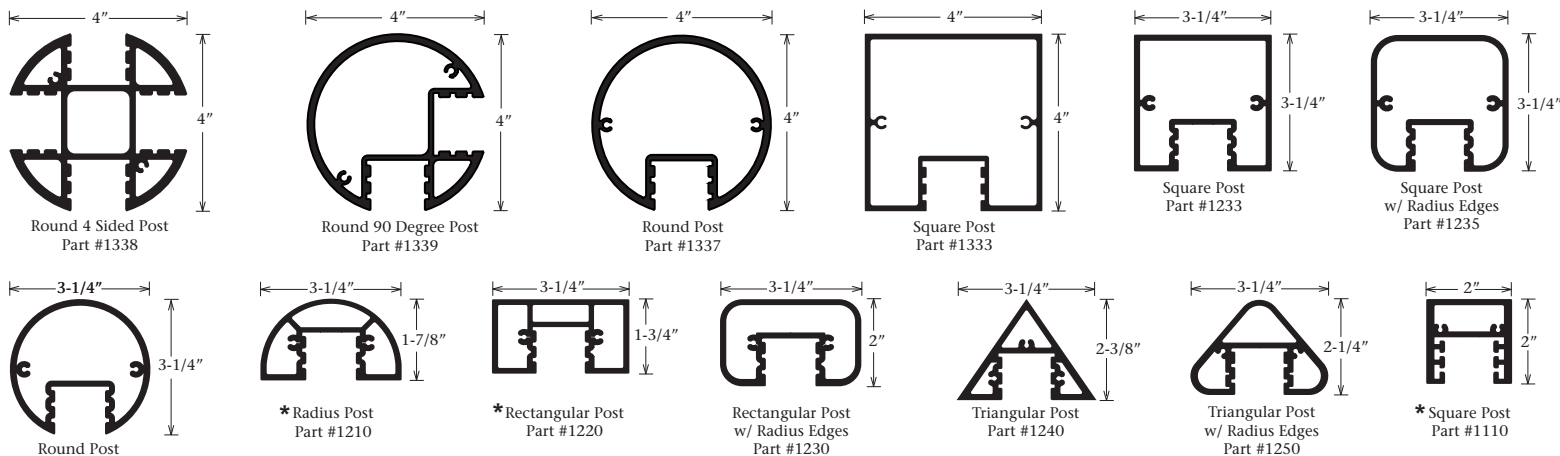

Answers to FAQ's

- Recommended panel thickness up to 3/16"
- Deduct 3/8" from bodies height and width to get the panel size

Optional Items

- 1-1/4" Divider, Part #1662
- Posts

13 Post Options
