

## Features & Benefits

The Standard Product Line is engineered for fast, easy assembly. Each divider kit includes Divider Angles that allow for the divider to be mechanical fastened to the cabinet. The Divider is designed to allow for vertical and horizontal dividers to integrate easily. Hanging bar tabs are designed into the Divider to hang the face from, giving the face a flat appearance and assisting in the prevention of the face blowing out. Available in Mill Finish & Dark Quaker Bronze.

## Answers to FAQ's

- The Divider accepts up to 1/4" thick face material
- Requires notching by others
