

Features & Benefits

The Commercial Retro Body has a hingeable retainer that allows access to service the sign. It is designed to attach to an existing frame or custom built structure. The Bleed Rigid Retainer allows for a frameless face appearance. Corner Key slots provide ease of assembly and added structure. It is available in Mill Finish.

Answers to FAQ's

- Retainer accepts up to 3/16" thick pan formed face material
- To fit over the existing structure kits will be cut .265" over the outside dimensions of the cabinet
