

Features & Benefits

The Commercial 1-1/2" Divider is designed to be used with the 1-1/2" Retainer II Part #2053. The divider has a framed appearance and will allow for vertical and horizontal dividers to integrate easily. The dividers are mounted in place using the Divider Angle Part #5301. These Divider Angles allow for the divider to be easily repositioned in the sign at any time.

Answers to FAQ's

- Divider accepts up to a 3/16" thick face material
