

Features & Benefits

The Commercial 2" Divider is designed to be used with the 2-1/4" Retainer, Part #2045 or the 2" Retro Frame, Part #2112. The divider has a framed appearance and will allow for vertical and horizontal dividers to integrate easily. The dividers are mounted in place using the Divider Angle Part #5300. The Divider Angles allow for the divider to be easily repositioned in the sign at any time. It is available in Mill Finish and Dark Bronze.

Answers to FAQ's

- Divider accepts up to a 3/16" thick face material
- Frame Support Tube Part #2175 and Frame Brace Part #5350 may be required when the divider is being spanned over 8ft
