

Features & Benefits

The Standard Product Line is engineered for fast, easy assembly. Hanging bar tabs are designed into the retainer to hang the face from; giving the face a flat appearance and assisting in the prevention of the face blowing out. The retainer has a removable cover allowing for the retainer to accept a divider. Available in Mill Finish & Dark Quaker Bronze.

Answers to FAQ's

- The cabinet accepts up to 3/16" thick face material
- Face trim size - Deduct 3/8" from the cabinet height & width
- To fit over the existing structure, kits will be cut .25 over the outside dimensions of the frame

Optional Items

- 2Part Divider, Part #1905
