2 Piece 5"
Channel Letter Raceway

2 Piece 5" Narrow
Channel Letter Raceway

Features & Benefits

- Narrow profile design
- 2 Piece design allows for letter attachment before final assembly
- Braces/Brackets slide easily into place without having to clamp the braces into position
- Braces/Brackets can also be used to mount the power supply (Allows for the required UL clearance off the bottom)
- Slide in mounting clips (Top and bottom)
- Drops can be easily joined/spliced together
- All 3 pieces can be cut in one single cut
- Routable front section
